The high school ENSEMBLE SCOLAIRE PRIVÉ - CATHOLIQUE SAINT-ELME

WWW.STELME.FR

Situated in the city of Arcachon, Saint Elme's High School is an old private school where pupils will be registered for the entire year in the class of « Seconde, Première or Terminale », year 11, 12 or 13 depending on their age and French level.

The first task of this school is the success of the pupils.

To reach this goal, the school offers a large range of resources such as human resources, educational resources and material resources to help each pupil to discover and develop their skills. The school team is here to support and encourage each kid in his or her difference.

" As a private Catholic institution, we want to help the pupils to fulfill their dreams and life. We want to help them to find their own place in the society that can be hard sometimes for young people. We want to give them marks for their inner life and consequently for their life out of school."

Important : Each pupil needs an Ipad, the school doesn't use books anymore.
